HS600 SPECS & OPTIONS

HS600 is a high speed, high capacity note deposit smart safe. Count, deposit and securely store notes and coins in an efficient, safe and secure manner.

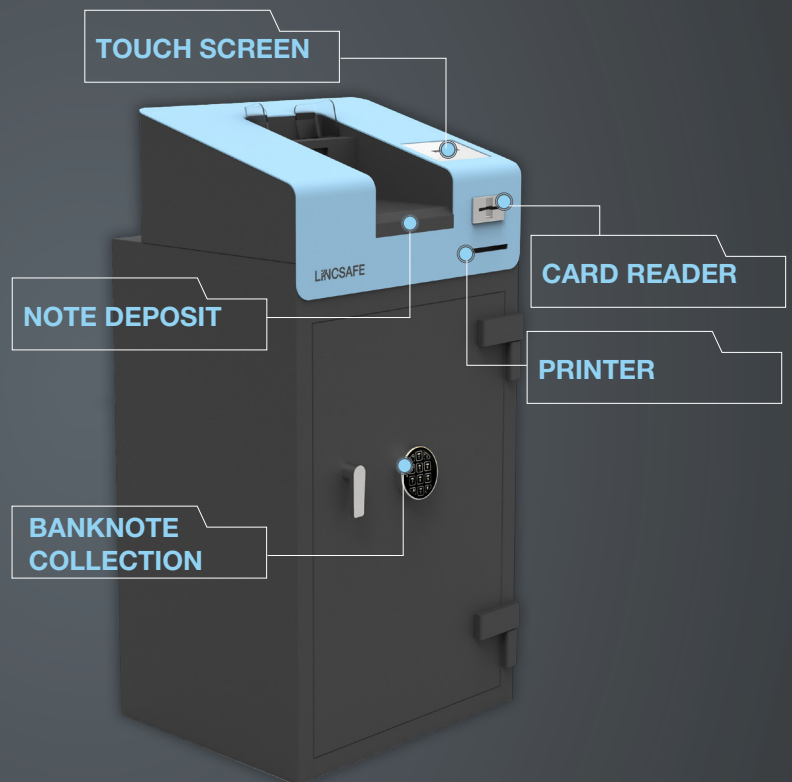

The note deposit system stores and stacks notes once validated and counted into a self-sealing secure bag with a capacity up to 4000 banknotes. Alternatively, a free fall bag option can be provided for notes with a capacity up to 15,000 banknotes.

The coin deposit systems validates, counts and stores coins into bags with a capacity up to 10,000 pieces per bag.
